

3 bedroom, 2.5 bath 2 story home located in The Conservancy. Enjoy the community lodge, pool, park, walking trails, and gym, all within walking distance. Top notch materials were used when building this home. This home is like new and has been well-maintained and loved.

Building finished in June 2020, this home has it all – wood floors, gas fireplace, deck off the main level, granite countertops, living room built-ins, TONS of kitchen cabinets, and bedroom-level laundry! The unfinished walk-out basement space echoes the area on the main floor and has potential for a 4th bedroom with roughed in bath. LOTS of storage, and all appliances stay!
